DRIES CLEAR!**

* Contains a mildewcide that prevents growth of mold & mildew on the adhesive film only.

For ANY Type of Border Over Wallpaper or Paint

Hangs 4-6 spools of 6" border ONE PINT (16 fl oz./431 ml)

Product No.
02876

US Patent No.
7,122,597

It's Easy to Use!

First prepare surface: Surface must be clean, dry and in good condition – free of old wallpaper adhesive, mold & mildew and loose paint.

Then apply SureGrip Universal Border Adhesive. Its **Unique PINK** color helps you see exactly where adhesive has been applied and eliminates missed spots and edges. Color disappears completely when dry. Make sure sufficient adhesive is applied at edges and corners. **DO NOT DILUTE.** Use when room temperature is above 50°F.

For "paste-the-wall" non-woven borders: Apply paste directly to the wall. While the paste is wet, hang according to manufacturer's directions.

For pre-pasted and non-pasted borders: Apply directly to back and book according to manufacturer's directions before hanging.

Coverage: Hangs 4 to 6 spools of 6" border.

Cleanup: Wipe off excess adhesive from border surface and surrounding areas with a damp sponge after each piece is installed. Blot dry with a soft towel. Change water often. Clean tools with warm water.

GUARANTEED STRIPPABLE! At redecorating time, removal is easy and Zinsser guarantees it when product is used in accordance with label directions. For paste-the-wall dry strippable (non-woven) borders, simply peel away from the wall. For pre-pasted and non-pasted paper-backed vinyl or vinyl coated borders, peel off top layer (if any), or score non-porous border with **PaperTiger®** Wallpaper Scoring Tool; then sponge, roll or spray on **DIF®** Wallpaper Stripper and border will release easily! To scrape away paper without gouging walls, use **PaperScraper™** Wallpaper Removal and Wall Scraping Tool.

CAUTION: Avoid contact with eyes and skin. In case of eye contact, flush eyes with plenty of water for at least 15 minutes. Wash thoroughly after handling. Do not take internally. If swallowed call a physician or Poison Control Center. Use with adequate ventilation. **KEEP OUT OF REACH OF CHILDREN.**

LIMITED WARRANTY – This product will perform as claimed if applied according to our directions. The directions apply to most applications, but may not cover special conditions, applications, techniques and/or surfaces. If, after applying 3 strips, there is a question regarding compatibility with wallcovering or hanging surface, stop and contact your dealer or ZINSSER Co., Inc., Somerset, NJ, 732-469-8100. Warranty is limited to replacement or refunded value of product actually used if such product proves defective within one year from date of manufacture.
