

# AUTOMOTIVE LACQUER THINNER

## **DESCRIPTION AND USES**

Rust-Oleum<sup>®</sup> Lacquer Thinner is a high-solvency thinner effective for diluting lacquer-based finishes. It is also excellent for cleaning spray guns immediately after use to keep them in top condition. Carefully read all directions, notes and cautions prior to use.

### **PRODUCTS**

253309 Lacquer Thinner (Gallon)

## PRODUCT APPLICATION

#### **INSTRUCTIONS**

Use as a thinner when recommended by the product manufacturer. Always follow the paint manufacturer's instructions for proper reduction ratios. Do not use more than recommended. Protect hands with solvent-resistant gloves and eyes with safety glasses. Most automotive finishes require a specific thinner for use within certain temperature ranges. Rust-Oleum® Lacquer Thinner has a medium rate of drying when used within mid-range temperature conditions.

Form: CS1644 Rev.: 021113
