# PERMA-WHITE®

## Mold & Mildew-Proof Paint

### Decorative Interior/Exterior Paint Color Selector

\*PERMA-WHITE® contains a mildewcide to prevent the growth of mold & mildew on the paint film only.

## Designer Colors formulated with Mold and Mildew-Proof\* Protection

The PERMA-WHITE® color palette offers a wide selection of pastel to mid-tone hues that can be tinted in both our interior and exterior paint. This colorful collection includes on-trend shades that are perfect for a wide variety of home types and styles. Bright and bold colors are popular on the Southern Colonial era homes near water where mold and mildew problems can be prevalent. The softer hues and neutral tones are also on trend and being used in homes located in subdivisions and home communities across the North and Midwest. Live in the Southwest? Earth tones and shades of brown may be more of your style. Wherever your location, use PERMA-WHITE® Mold & Mildew Proof\* paint for peace of mind and beauty in any area of your home.
