|  | <b>WHINK®<br/>CALCIUM LIME REMOVER</b> |               |

### DESCRIPTION AND USES

Whink® Calcium Lime Remover is a professional strength, nonabrasive formulation specially designed to quickly dissolve hard water stains, soap scum and buildup. For use on kitchen and bathroom surfaces, such as: sinks, tile, shower doors, bathtubs, toilets, fiberglass, chrome, tea kettles, and cookware. Dissolve away unsightly buildup without scrubbing. Also cleans lime scale buildup in humidifiers and vaporizers.

### PRODUCT FEATURES

- Professional strength
- Nonabrasive formula
- Dissolves hard water problems
- Eliminates buildup caused by soap scum and calcium
- Safe for septic systems

### PRODUCTS

| DESCRIPTION   | SKU   |
|---------------|-------|
| 16 Oz. Bottle | 35216 |
| 32 Oz. Bottle | 35232 |

### PRODUCT APPLICATION

#### DIRECTIONS

Read entire directions and warnings prior to use.

Wear household rubber gloves. Apply Calcium Lime Remover to a damp sponge or cloth and wipe across stained area. Rinse promptly and thoroughly with water. This cleaner may etch worn/older porcelain sinks, tubs, or ceramic tile, as well as discolor some fiberglass surfaces. Not recommended for use on marble or limestone.

**NOTE:** Test small spot in hidden area to assure cleaner will not cause surface damage. Store with cap closed. To prevent possible damage, avoid contact between cleaner and any other surface.

If spillage occurs, rinse the surface immediately.

**KEEP OUT OF REACH OF CHILDREN.**

### PHYSICAL PROPERTIES

|                           | <b>CALCIUM LIME REMOVER</b>   |
|---------------------------|---|
