

	TECHNICAL DATA	WNK-18
	WHINK® WASH AWAY®	

DESCRIPTION AND USES

Whink® Wash Away® is specially formulated to remove difficult stains and heavy soiling from delicates to denim. Wash Away is safe for use on all washable, colorfast fabrics and works well in all water temperatures.

Note: Fresh stains are more easily removed. Certain stains caused by bleach damage, dyes and many inks may be impossible to remove.

PRODUCT FEATURES

- Removes tough laundry stains like blood, grass, chocolate, coffee and more
- Contains no bleach
- Treat now, wash later

PRODUCTS

DESCRIPTION	SKU
10 Oz. Bottle	18281
16 Oz. Bottle	18261

PRODUCT APPLICATION

DIRECTIONS

Read entire directions and warnings prior to use.

Test fabric for colorfastness.

Apply Wash Away directly onto stained area. Rub into stain. Launder as usual or treat now and wash up to 5 days later. For stubborn stains, allow Wash Away to soak for at least 15 minutes before washing. If stain persists after washing, repeat application and launder again using the warmest water the fabric allows. Machine drying may cause stains to become permanent.

For rust stains, use Whink Rust Stain Remover on colorfast fabrics and Whink No More Yellow! on laundry whites.

KEEP OUT OF REACH OF CHILDREN.

PHYSICAL PROPERTIES

	WASH AWAY
Composition	Proprietary blend of Surfactants, Detergent Builders, Enzymes, and Enzyme Stabilizers
Color	Colorless to Light Yellow
pH	7.5-9.5
