## Specialty Lacquer Spray Tips & Techniques

- Specialty Lacquer has a high luster finish but you can polish the finish for an even higher gloss.
- Specialty Lacquer Gloss is UV resistant and can withstand outdoor elements. This makes this product great for both indoor and outdoor projects.
- Specialty Lacquer Gloss Clear can be used over latex paint. Be sure to allow the latex paint to fully cure before applying.
- Specialty Lacquer Gloss can be used on unfinished pottery instead of a glaze.
