# METALLIC GARAGE

## FLOOR PAINT + PRIMER

**Metallic Garage** is a ready-to-use interior/exterior concrete floor paint + primer that leaves a brilliant, metallic finish. Two coats of this concrete floor paint saves time and money. Rust-Oleum's durable, acrylic formula resists damage from hot tires and grease. The UV & weather-resistant coating can be used on interior and exterior surfaces. The coating is easy to maintain, resists fading and peeling, and leaves a beautiful finish on your concrete.

- Grab & Go Metallic Floor Paint + Primer in on-trend colors
- For garages, patios, driveways and basements
- 5 day drive-on time
