## FLOOR REFINISHING KIT

In 24 hours, your wood floors are restored to their original beauty and ready for use!

### Tired of your dull, worn wood floors?

With Renewal's new floor refinishing technology, scuff marks, scratches and heavy traffic areas are restored!

In just 3 steps, Renewal's advanced, floor-refinishing technology takes dull wood from boring to beautiful.

- ① Apply No-Sanding Cleaner
- ② Rinse & Condition
- ③ Apply Renewal<sup>®</sup> Floor Finish

### Use on ANY type of wood floor!

Renewal<sup>®</sup> is formulated to re-finish any type of wood floor including **HARDWOOD, FACTORY FINISHED FLOORS AND EVEN LAMINATE!**

### Don't just revive, REFINISH!

Renewal<sup>®</sup> does not just revive your wood floors, but completely refinishes them to stand up to years of abuse.

### IS RENEWAL RIGHT FOR YOUR FLOORS?

Use the revolutionary Renewal<sup>®</sup> Floor Finishing Kit for floors that have:

#### A Dull, Worn Finish

Even after washing and cleaning your floors, years of use have left them dull and lackluster.

#### Set-in Scuff Marks

Scuff marks have become permanent "scars" on your floor's surface that wiping will not remove.

#### Scratches

Whether it's due to people or pets, the constant, heavy foot traffic across your floor has etched scratches in the wood surface.

Visit the Varathane<sup>®</sup> Floor Finishing Center for seriously damaged floors that have:

- Stains due to water seepage or animal urine, pit marks, gouges, and grain raise that you can feel.
- Damage that has penetrated into the wood itself.

These wood floors will require complete refinishing. Varathane<sup>®</sup> has the right products for your sanding and refinishing needs.

### THE VARATHANE PROMISE

Varathane<sup>®</sup> Renewal<sup>®</sup> Wood Refinishing products are made using only the finest ingredients, manufactured under the most exacting standards of quality, and tested thoroughly before shipment to our distributors. That is why we stand confidently behind the performance of our products, and believe that your experience with Varathane<sup>®</sup> Renewal<sup>®</sup> products will exceed your expectations.

### FLOOR REFINISHING KIT

**Beautify Your  
Wood Floors  
in a Day!**

## Save Time and Money

There's no sanding, no dust and no special ventilation needed. The easy, do-it-yourself kit lets you refinish your floors in just 3 easy steps.

## Get Lasting, Superior Protection

The patented aluminum oxide technology gives your floors the best scuff and scratch protection available, without changing the wood color.

## Use On ANY Wood Floor

In just 24 hours, you add years of lasting, durable beauty to dull, scratched hardwood, laminate, and factory finished wood floors.

### STEP 1

Apply No-Sanding Cleaner

### STEP 1

#### Apply No Sanding Sealer

- Wipe away the existing finish with the Renewal® No-Sanding Cleaner.
- Simply mop on the revolutionary cleaning formula, and in minutes you "sand off" years of scratches, scuffs and unsightly wear and tear. There's no need to pre-clean or machine-sand your floors.
- 20-30 minutes to apply - 30 minutes to dry.

### STEP 2

Rinse and Condition

### STEP 2

#### Rinse and Condition

- Rinsing the floor is an important step to fully clean off the no sanding cleaner, and further condition your floor. This will ensure proper adhesion of the topcoat.
- 20-30 minutes to apply - 30 minutes to dry.

### STEP 3

Apply Renewal® Floor Finish

### STEP 3

#### Apply Renewal® Floor Finish

- Apply the beautiful new topcoat with the Renewal® Floor Finish.
- Virtually odor-free, the water-based coating mops on easily, sealing and protecting your wood floors with a final, clear diamond coat finish. Your wood retains its original color and the finish never yellows with age.
- 20-30 minutes to apply.
- Light use after only 8 hours.
- Normal use after 72 hours.

## KIT INCLUDES

Get professional results with the complete Renewal® kit:

- Easy-to-follow Instruction Sheet and DVD (English & Spanish)
- Synthetic Applicator Pad
- Scrubbing Pad
- Applicator Block
- Renewal® No-Sanding Cleaner (1 quart/32 fl. oz.)
- Renewal® Floor Finish (1 gallon/128 fl. oz.)

#### Additional items needed:

You will need a threaded broom handle, clean lint-free rags, a bucket, a paint tray, painter's masking tape, and stirring sticks.
