With decades of proven performance, PERMA-WHITE® is a premium paint that produces a beautiful, long lasting finish.

The PERMA-WHITE® color palette offers a wide selection of pastel to mid-tone hues that can be mixed to fit any color scheme. The collection includes neutrals shades that are perfect for a wide variety of color schemes and styles.

Bright and bold colors are popular on the Southern Colonial era homes near water where mold and mildew problems can be prevalent. The enter hues and neutral tones are also in trend and bring panel to homes located in subdivisions and home communities across the North and Midwest. Lime in the southeast Earth tones and shades of brown may be more of your style. Whatever your location, use PERMA-WHITE® Mold & Mildew Proof paint for peace of mind and beauty in any area of your home.
