## DECORATIVE POLYUREA FLOOR COATING

Decorative &  
Durable!

**Concrete Saver® Medici® Decorative Polyurea Floor Coating** is a high gloss, UV stable polyurea floor coating for use in commercial and industrial environments. The innovative Medici Roller combines two different finish colors in a simultaneous roller application to obtain a one of a kind faux stain finish.

### FEATURES & BENEFITS

- ✓ High solids formula provides excellent abrasion resistance
- ✓ Quick dry time, return to service in 24 hours
- ✓ Consistent look unlike traditional concrete stains
- ✓ Easy to maintain, no waxing or upkeep needed!
- ✓ Perfect for indoor or outdoor applications and won't chalk or fade over time
- ✓ VOC compliant nationwide

*"The system provides a high quality, extremely durable coating that looks great! It's easy to apply and offers the quick turn around time our clients need."*
