Made in USA • Made en E.U.A.©2019 Rust-Oleum Corporation 392386 04 019

PRODUCT NO. 20356

FOR PROFESSIONAL USE

*This product contains a mildewcide to prevent the growth of mold & mildew on the paint film only.
For Warranty information, visit Rustoleum.com/Enviroshield.

SATISFACTION GUARANTEED:

- It will prevent future mold & mildew growth on the coated surface as well as prevent existing and new exterior masonry surfaces from moisture and mildew damage.

ES-100 contains an invisible UV tracer that glows brightly when it is struck with a blacklight to reveal any missed areas and ensure complete coverage.

SEE TECHNICAL DATA SHEET PRIOR TO APPLICATION

SURFACE PREPARATION:

- Surfacing must be structurally sound and free from any dirt, or loose foreign materials, oil, grease, and standing water. Remove all mold & mildew with a brush, roller, or sprayer. Apply when air and surface temperatures are 60-80°F (16-26°C).

DIRECTIONS FOR USE/APPLICATION:

- MIX ES-100 THOROUGHLY prior to and intermittently during use. Be sure that any added water is dispersed thoroughly into solution. Apply ES-100 with a brush, roller, or spray. Apply when air and surface temperatures are 40-80°F (4-26°C).

- For added spreading, use a .015 lb and 200 psi Only one coat is necessary, a second coat may be desired.

Drying Time: All normal temperatures, allow the touch in 50 minutes.
- High humidity and/or cool temperatures may lengthen drying times. Can be recoated or top coated in 1 hour.

COVERAGE: Apply at a rate of 400 sq. ft. (37m²) per gallon. May vary with application method and porosity of surface.

LIMITATIONS:

- This product does not protect users against illness caused by food borne bacteria. Rust-Oleum Corporation does not warrant or guarantee that indoor air-quality or health related issues will be reduced or eliminated.

Note: ES-100 is formulated with an advanced biocide blend to prevent mold and mildew growth on the dried coating film only. This protection of the coated coating film from mold and mildew is a result of biocides (FDA No.: 37271, 30791), the nature and durability of the resin and other formulations chemicals.

SATISFACTION GUARANTEED:

- If you are dissatisfied with this product, contact Rust-Oleum Product Support at 877-483-2828 for product replacement or a full refund of the purchase price. Refer to product number and batch code.

For Warranty information, visit Rustoleum.com/Enviroshield.

PREVENTION:

- Avoid contact with eyes. Use adequate ventilation. Avoid breathing vapors and fumes. Avoid breathing dust. Wear appropriate safety mask. Wear protective gloves, clothing, and eye wear. Do not take internally.

- Paint: Do not use on skin, wear with plenty of soap and water. Seek medical attention if skin irritation or rash occurs. Wear non-rubber coated clothing and footwear. In case of Fire: Use Alcoholic Foam, Carbon Dioxide, Dry Chemical, Dry Sand, or Water Fog.

STORAGE:

- Store locked up in a well-ventilated place. Keep container tightly closed.

DISPOSAL:

- Disposal of contents in accordance with local, state, provincial, and federal regulations.
