EnviroShield™ ES-90 / EnviroShield™ ES-100 are designed for restoration professionals and certified applicators to combat mold and mildew. These premium coating solutions are formulated with an advanced biocide blend that provides effective protection from mold and mildew on the dried paint film. EnviroShield™ ES-90 / EnviroShield™ ES-100 are ideal for new construction, remodeling or repair projects or for protecting porous and semi-porous masonry surfaces. EnviroShield™ ES-90 / EnviroShield™ ES-100 are suitable for both interior and exterior surfaces, however the Terms and Conditions of this Limited Material Warranty apply solely to interior surface applications.

To qualify for this Limited Material Warranty the EnviroShield™ ES-90 / EnviroShield™ ES-100 coating must be applied to an appropriate interior surface and in accordance with the product label and Technical Data Sheet. Surfaces must be structurally sound and free from any dirt, loose foreign materials, oil, grease and standing water. All existing mold and mildew must be removed, using industry standard methods, prior to installation.

Subject to the Terms and Conditions in this Limited Material Warranty, RUST-OLEUM CORPORATION warrants that the EnviroShield™ ES-90 / EnviroShield™ ES-100 coating will retain its mold resistant properties to prevent mold growth on the coating film during the warranty period. If the coating proves to be subject to any defects in materials or does not retain its performance properties under recommended service and use during the warranty period, RUST-OLEUM CORPORATION will, at its option, either refund to the purchaser the amount paid for the product or furnish at its expense sufficient product to restore a mold resistant condition to affected areas, provided that RUST-OLEUM CORPORATION is given the opportunity to inspect these areas when RUST-OLEUM CORPORATION deems it advisable.

Any re-coating of any surface covered by this warranty by any person or entity prior to RUST-OLEUM’s inspection and/or approval shall invalidate this warranty. RUST-OLEUM CORPORATION shall be notified in writing within (30) days of the discovery of any defect or suspected performance failure. In all instances RUST-OLEUM CORPORATION shall be the sole judge as to whether a partial or complete re-coating of the failed area(s) is required to fulfill its obligation under this warranty, and RUST-OLEUM reserves the right to select the products to be used.

RUST-OLEUM CORPORATION’S liability shall be limited to refunding the amount paid for the product(s) or supplying a sufficient amount of the specific product (or products) necessary to remedy the problem. Performance failure resulting from or related to improper surface preparation or paint application are excluded from warranty coverage, as are damage from wind, lighting, fire or other Acts of God.

Under these exclusions, RUST-OLEUM CORPORATION disclaims all liability and therefore this warranty does not apply. RUST-OLEUM CORPORATION SHALL HAVE NO OTHER LIABILITY, INCLUDING LIABILITY FOR LABOR, FOR INCIDENTAL, CONSEQUENTIAL, OR RESULTANT DAMAGES, WHETHER DUE TO BREACH OF WARRANTY, EXPRESS OR IMPLIED, OR NEGLIGENCE, EXCEPT AS PROVIDED HEREIN. RUST-OLEUM CORPORATION MAKES NO WARRANTIES OR GUARANTEES, EXPRESS OR IMPLIED, WHETHER FOR MERCHANTABILITY, FITNESS FOR PURPOSE, OR OTHERWISE.
